CEDARS Presents:

Caring for Children Who Have Experienced Trauma:

A Workshop for Resource Parents

Developed by The National Child Traumatic Stress Network & Presented by CEDARS Training Department (Jennifer Engelhaupt, LMHP)

The CEDARS Training Department will present a series of trainings throughout 2014 that can be helpful in your care of children affected by trauma. Attend one or many. Each session will focus on a different area and become more in-depth as they progress. (Note: This is not designed as a sequential training and other than needing a basic understanding, which is provided in the "Intro to Trauma" class, any additional modules can be taken at any time based on interest or need.)

Intro to Trauma (Trauma 101 & Trauma's Effects)
